The first \$60,000 in your combined CPF accounts earns an extra 1% interest. To enable members to earn extra interest, only monies in excess of \$20,000 in your Ordinary Account and \$40,000 in your Special Account can be invested.

However, you can continue to service your regular premium insurance policies (but NOT recurring single premium insurance policies or regular savings plans for unit trusts) and agent bank fees even if your Ordinary Account balance falls below \$20,000.

Please click [here](#) for more details on the instruments included under CPFIS.

\* Please refer to the risk classification tables for **unit trusts**, **investment-linked insurance products** and **exchange traded funds** which Special Account savings can be invested in.

\*\* *Investible savings is the sum of your Ordinary Account balance and the amount of CPF which you have withdrawn for investment and education.*
