Annex B: ASSA Recognition Awards

Introduced in 2015, the annual ASSA Recognition Awards recognise member institutions' achievements in advancing social security across ASEAN. Each member country is recognised for a nominated project across 10 award categories.

For 2026, CPF Board has nominated its Platform Workers project for the Insurance Coverage Recognition Award. The project will also be featured during the conference's good practice sharing session, providing an opportunity to share Singapore's experience in extending social protection to platform workers.

CPF Board's past award-winning projects are:

- **2021:** Matched Retirement Savings Scheme (Insurance Coverage Recognition Award)
- **2022:** GovCash – Solving Last Mile Challenges Paying to Unbanked Citizens (Customer Service Recognition Award)
- **2023:** Proactive Help for Citizens with Caregiving Needs (Insurance Coverage Recognition Award)
- **2024:** Phy-gital@CPF Service Centres: Bridging the Digital Divide (Innovation Recognition Award)
- **2025:** CPF Volunteering Mobile App (Innovation Recognition Award)
